### Description

Our soft play set is great for children under 5. The soft play consists of 20 large soft play shapes and rockers together with 8 floor mats which velcro together to form a giant play area measuring 10ft x 8ft. The range of pieces enable children to gain self confidence and to create, rock, climb, crawl and slide. Ideal for all types of occasions including private parties, nurseries, crèches and schools.

This soft play set measures 10ft x 8ft (3.05m x 2.43m). **Minimum space required: 12ft x 10ft.**

Maximum age allowed on this soft play is 5 years old.

### Party Packs

Why not hire our soft play together with a ball pond and/or a bouncy castle? We have put together a range of party packs especially for children under 5 years old which saves you money:-
